teaming up ... online!

What happens when you mix some 30 somethings and some 60 somethings in a think tank to brainstorm strategies for reaching the world with the gospel online? You get one high energy day that has everyone learning, sharing and demonstrating best practices!

Ragnar Oborn is trailblazing new frontiers in many closed countries, with over 100,000 hits in 2014 to articles posted on websites where there has been a special interest among Arab peoples. (See next page)

Jim Klaas has a vision to see hundreds of thousands of people engage a 40 Days Of Discipleship app which could lead to a million engaged one day. Check out www.networkchurch.ca and www.discipulado.net.

Isa al Masih (PBUH) offers 'Living Water'

Previously we learned how the prophet Isa al Masih (PBUH) taught how we should treat those we consider to be our enemies. In our present-day world where we have conflict between Sunnis and Shiites, supporters and opponents of Assad in Syria, Palestinians and Israelis, and so on – we must realize – not only that we are the enemies but in this world there is more likely conflict between different groups where people hate and kill each other. This has turned our world into hellish misery. Isa al Masih (PBUH) taught in this Paradise that our entry into Paradise was dependent on how we treated our enemies! We should carefully consider this if we want entry into Paradise.

What are Pathfinders about? We are an association of people who are finding our paths forward toward a more organic/missional approach to how we 'do church,' by affirming the headship of Jesus in community, focus on making disciples, active labouring from the moment a person comes to faith and the dynamic functioning of Ephesians 4:11-12 roles* at the local and trans-local level. Our dream is to find new trails so that more unreached can discover the Jesus life.

"The gospel is only good news if it gets there in time."
Carl F. H. Henry.
